Mobility Division Canada

Our company started as a humble wealth management firm in Canada in 1928 and has transformed into a sophisticated financial conglomerate managing assets for distinguished clients who value utmost professionalism and dedicated services.

Eterna International Ltd., a division of Eterna Financial Group, is borne out of this unique heritage and has grown as the leader in economic migration and global mobility.

"We stand by your side as your faithful advocate to support you at every step of the way, no matter what happens. This is our promise!"

- Pierre-Olivier Tardif - CEO

Client Services and Processing

A blurred high-speed train in motion at a station platform during sunset or sunrise. The train is moving from left to right, leaving a long, horizontal streak of light and motion blur. The platform is in the foreground, and the tracks extend into the distance. The sky is a mix of blue and orange, suggesting the time is either dawn or dusk. The overall scene is dynamic and modern.
